# FEEDBACK SESSION 2020

The **National Committee of Southern Africa** will be hosting an online feedback session to report back on the e-Session held by CIGRE in August. CIGRE is well known as the world's foremost source of **power system expertise**.

The virtual event will run over two weeks from Monday 5 October 2020, during which each Study Committee representative will present a summary and highlights from the e-Session using the CIGRE Academy webinar technology.

The event will be opened on Monday 5 October by CIGRE SA Chairman, Prince Moyo. Prince will update us on the exciting progress CIGRE is making across the global power system.

This will be followed by nearly two weeks of **evening webinar presentations** for delegates to choose from.
